

GROUP EXPERIENCES

We offer several ways for groups, both large and small, to use our 45 acre hot springs and retreat center as a basecamp for their unique goals and needs.

1 - FULL PRIVATE RENTAL

If your group experience requires a private setting, involves more than 50 people, or requires full access to all site facilities, then this may be the right fit. Weddings, workshops, retreats etc... are often best designed around the unique tastes of event hosts and tend to thrive with a more private, intimate environment. Hosts can rent out our entire facility, including accommodations, springs, kitchen, and more. With an overnight bed capacity for up to 24 and an additional campsite capacity for 30, over 50 people can stay overnight as part of the event. Additionally, our 30ft retreat center yurt becomes your venue for meetings, meals, trainings and more. During a private rental, our facilities and pools are closed to the public, ensuring that your event is both intimate and one of a kind. With a private rental, consider us part of your behind-the-scenes team helping to deliver a meaningful and smooth experience.

2 - PARTIAL RENTAL

For smaller groups that do not require full private access to all facilities, hosts can simply book what they need. With advanced planning, hosts can book nightly accommodations for participants, reserve our 30ft retreat center yurt, gain access to our cooking facilities, or program a special recreational event. Select facilities remain open to the public during regular business hours. Smaller workshops, family gatherings, youth camps etc... can tailor our space for their desired group experiences.

3 - GROUP DISCOUNT

Group day use hot spring rates are available for 15 people or more when booked in advance.

AVAILABILITY

Overnight retreat rental season is April 15-Oct 15. Partial/day use retreat season is year round. Weekend options are based on availability. Increased options exist for mid-week bookings. 6 months advance booking is recommended.
